

IN THE COURT OF COMMISSIONER, SARAN DIVISION, CHAPRA

Supply Revision No.419/2007

Raj Narayan Singh & Ors.

Vrs.

The State of Bihar

6.3.2013

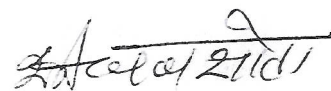

ORDER

The instant revision petition is filed by certain consumers including present petitioner which is directed against the impugned order passed by DM, Saran on 30.3.2007 in Supply Appeal case No. 50/2006 whereby the learned appellate Court was pleased to reject the licence cancellation order passed by SDO, Marhuarah.

This case was admitted on 16.10.2007 and accordingly notice <sup>was</sup> issued to Ops & LCR was called for. Thereafter, the case was posted for final hearing. But from the order sheet it is seen that petitioner and OP used to file their presence on different dates but later on different dates viz 31.12.11, 29.5.12, 28.8.12, 4.12.12 & 5.3.13, the petitioner was absent by filing time petition or absent otherwise. This conduct of petitioner is not conducive.

For the reason aforesaid, I am not inclined to prolong this case in absence of any genuine interest from the petitioner's side.

Hence, the same is dismissed for default.

Saran Division, Chapra
