Heard the learned counsel for the petitioner on the point of admission.

It is seen that this revision petition has been preferred against the impugned order passed by Addl. Collector, Siwan in Jamabandi Cancellation case No. 22/2014-15 on 18.08.2017.

The learned G.P. states that this case is not maintainable before this Court as per the provision contained in Bihar Land Mutation Act-2011. He further says that section 9 of the said act clearly lays down that an appeal against the order of the Additional Collector shall lie with the Collector of the district. However, it is seen that this petition has been preferred directly before this Court as revision without exhausting the appellate jurisdiction.

It is for the aforesaid reason, the instant revision petition is dismissed for want of maintainability.

Dictated and Corrected by me.
